

Creepy Crawly Classrooms

We would like to find out what ladybirds can be found in your area. Have a look in your garden, or in the park for ladybirds. Colour in the picture, making sure that you put the right number of spots on your ladybird. Remember to colour in the legs with the right colour and to draw any pattern on the head.

Name:

School:

What	When	Where	How many?
